POINTS LOST BY AUDITOR

On His Attempts to Throw Out Appeals.

A Jury Finds a Verdict After Declaring It Impossible.

Supreme Court Asked to Rehear Notley Will Case—Woman Slayer Sentenced.

By unanimous opinion, the Supreme Court denies the motion to dismiss the appeal of the Trustees of the Queen's Hospital from the refusal of Auditor Fisher to issue warrants for the payment of the monthly pro rata of the appropriations voted to that institution by the Legislature. "The appeal itself is now in order for hearing," the opinion concludes. Justice Perry is author of the opinion, the syllabus of which reads thus:

"The Legislature may include in an appropriation bill passed at an extra session called under the provisions of Section 54 of the Organic Act an item which is not for a 'necessary current expense of carrying on the government,' provided the matter covered by the appropriation is one for which an appropriation may rightfully be made."

Robertson & Wilder appeared for the appellant; E. C. Peters, Deputy Attorney General, for the Auditor.

KEPOIKAI'S FEE CASE.

The Supreme Court also, by the clerk, denies the motion to dismiss the appeal of Treasurer Kepoikai from the Auditor's refusal of a warrant to pay his counsel fee of \$500 in the "Board of Public Institutions" test case brought prior to the "County Act" test case. E. C. Peters for the movant; Kinney, McClanahan & Cooper, contra. For grounds of motion to dismiss the appeal the Auditor presented that there was not that "difference of opinion" between the parties referred to in Section 16 of the Audit Act necessary to authorize the appeal, and that the Treasurer was not a "party aggrieved" or "concerned" within the meaning of that Section.

LESSER OFFENSE FOUND.

Before Judge De Bolt the trial of Chisaki Mokichi, indicted for rape, continued from Tuesday throughout yesterday. At 5:17, after deliberating nearly two hours, the jury returned a verdict of guilty of assault with intent to commit rape.

A few minutes before this result was reached, the jury had come into court to report hopeless disagreement. They were then 11 to 1, having had a prolonged struggle to get there from 9 to

THE WORRIED WOMEN.

They say men must work and women must weep; but alas, in this too busy world women often have to work and weep at the same time. Their holidays are too few and their work heavy and monotonous. It makes them nervous and irritable. The depressed and worried woman loses her appetite and grows thin and feeble. Once in a while she has spells of palpitation and has to lie up for a day or two. If some disease like influenza or malarial fever happens to prevail she is almost certain to have an attack of it, and that often paves the way for chronic troubles of the throat, lungs and other organs; and there is no saying what the end may be. Let the tired and overladen woman rest as much as possible; and, above all, place at her command a bottle of

WAMPOLE'S PREPARATION a true and sure remedy for the ills and maladies of women. It is palatable as honey and contains all the nutritive and curative properties of Pure Cod Liver Oil, combined with the Compound Syrup of Hypophosphites and the Extracts of Malt and Wild Cherry. Search the world over and you will find nothing to equal it. Taken before meals it improves the nutritive value of ordinary foods by making them easier to assimilate, and has carried hope and good cheer into thousands of homes. It is absolutely reliable and effective in Nervous Dyspepsia, Impaired Nutrition, Low Vitality, Wasting Conditions, Melancholy, Chlorosis, Scrofula, and all troubles of the Throat and Lungs. Dr. E. J. Boyes says: "I have found it a preparation of great merit. In a recent case a patient gained nearly twenty pounds in two months' treatment, in which it was the principal remedial agent." It carries the guarantee of reliability and cannot fail or disappoint you. At chemists.

3. Jurors Kidwell and Cook stated some of the difficulties to the court, which then instructed the jury more particularly as to the weighing of evidence. When discharging the jury with thanks after their verdict, Judge De Bolt added, "Always bear in mind, gentlemen, there's no such word as fail."

Messrs. Bitting and Brooks gave notice of motion for a new trial, the former saying his reading of the law was that this motion should be argued before sentence was pronounced. Mr. Fleming for the Territory differed from him and Judge De Bolt said such a thing was not according to the practice here. However, by consent sentence was deferred and the motion set for hearing at 9 a. m. Monday.

MAXIMUM SENTENCE.

Osumi, who pleaded guilty to manslaughter in the first degree under his indictment for murder in the first degree, was sentenced by Judge De Bolt to be imprisoned at hard labor for the term of twenty years. This is the full limit of the law. The prisoner killed a woman with a big knife in the district of Koolauloa last September.

NOT PROSECUTED.

W. S. Fleming asked for a nolle prosequi, which was granted, on behalf of Y. Anin, Young Tuck, T. Dong Wong and Chin Pung, indicted for maintaining and conducting a lottery.

OTHER THINGS.

Judge Gear is still trying Mr. Ballou's injunction suit against Mutual Telephone Co.

Before Judge Robinson, in the Pacific Heights foreclosure injunction case, Mr. Lightfoot took practically the whole day arguing for Mr. Booth's motion to dissolve the temporary injunction obtained by Mr. Desky.

NOTLEY WILL CONTEST.

Kinney, McClanahan & Cooper and J. J. Dunne, attorneys for contestants in the matter of the will of Charles Notley, have filed in the Supreme Court a motion for rehearing and reargument. It sets forth that the court overlooked points submitted, that its decision is in conflict both with an express statute and controlling decisions of the court, and was based mainly on a point not raised in the bill of exceptions. It is even asserted that the decision is in conflict "with the law accepted by the court in this case."

ANOTHER ABATEMENT PLEA.

David Kawanakoa, Jonah Kalani-analo and John F. Colburn by their attorneys, C. W. Ashford and Ella A. C. Long, enter a plea in abatement as defendants in the suit of W. H. Pain vs. Paul Muhlenhoff, et al., similar to the pleas entered by other defendants—namely, that the issues are already pending in the suit of Hasson vs. Pain and others.

PROBATE MATTERS.

Father H. Valentin, executor of the will of Margaret Moorhead, has filed an inventory showing cash \$625 and an undetermined interest in a certain mortgage.

Charlotte D. King, mother of deceased, petitions for letters of administration to W. C. Crook, Jr., on the estate of James King, deceased, which she represents as of the value of about \$1000 in the hands of Jos. Lightfoot.

DIVORCE.

Judge Gear granted a divorce to Charlotte Bertha Spencer against James O. Spencer on the ground of desertion since January, 1903. Alimony was waived by the libellant and the custody of the two children, boys of 4 and 3 years of age, was awarded to her with permission to the father to see them at reasonable times. A. A. Wilber for libellant; C. F. Peterson for libellee.

REPUBLICAN PRIMARIES ARE HELD

(Continued from page 1.)

fourth precinct of the Fourth District, held with a fair-sized attendance at San Antonio hall, Vineyard street. For the nine delegates allotted to the precinct the following names were presented to be voted for on Saturday:

C. L. Crabbe, Jas. F. Morgan, G. W. R. King, J. W. Short, A. D. Castro, E. W. Quinn, Wm. Savidge, A. V. Gear, A. G. M. Robertson, Henry Peters, Norman Watkins, Frank Andrade, E. P. Fogarty, W. A. Love, J. F. Durao, Sam Kamakau, S. F. Chillingworth, M. T. Lyons, Oliver Stillman, A. V. Peters, W. W. Carlyle, Samuel Parker, E. C. Peters.

FIFTH OF FOURTH.

The meeting of the Fifth Precinct, Fourth District, was held at the Garbage Department Stables, Kakaako. Sam Johnson was elected president of the club.

The delegates selected are Sam Johnson, W. H. Kaimali, E. K. Rathburn and Mike Harvey.

EIGHTH OF FOURTH.

J. J. Belser, Chas. W. Zeigler, J. W. Givvin, Kawai George, J. C. Quinn, C. L. Beal, W. J. Karranti and Geo. E. Smithies form the sole ticket for the eighth precinct of the Fourth District. There being no surplus of candidates the election here will be a mere formality.

John Kamanoulu, vice-president of the Republican club, presided at the meeting held at the bandstand in Thomas Square. There was a small attendance with great harmony. When more than a dozen candidates for the convention had been nominated, one of them started to bring the number down to the eight allowed the precinct by withdrawing his name. His example was followed by others and the result thus attained.

EIGHTH OF FIFTH.

There was a good attendance of the eighth precinct of the Fifth District Republican club at Achi's warehouse, Palama. Senator Achi presided and the meeting was harmonious. Four delegates are to be elected and six candidates were nominated as follows:

W. C. Achi, P. Silva, H. Vierra, Jr., S. C. Dwight, N. Fernandez and John C. Lane.

SIXTH OF FIFTH.

The meeting of the Sixth Precinct, of the Fifth District, was held Tuesday evening at Ewa court house. The fol-

NAWNS CONTINUE TO DRAW CROWDS

The vaudeville company at the Orpheum continues to draw big houses of thoroughly pleased audiences, many coming the second time to enjoy the acts and see the kinetoscope. The wonderful film has proved a big drawing card for the season.

Some of the comments of audiences on the Hiawatha act are interesting. The movements of the double quartette of maidens and braves which constitutes the background resemble in a marked degree the more graceful postures of an Hawaiian dance and several in the audience have refused to believe that the participants were bona fide members of the company but rather native girls engaged for the occasion. As the Hiawatha Troubadours have been playing this particular act for many months to great success and as the posturing is all taken from actual Indian dances, the comments prove nothing but certain positive ethnological connection between the North American Indian and the native Hawaiian. The management guarantees the absolute originality of the folks taking part and their freedom from any local connections.

The local lodge of Elks may hold a social session during the stay of the company in town as both Tom Nawn and Pete Baker are Elks of old standing and the opportunity of entertaining two such antiered gentry who will give more than a quid pro quo in the entertaining line is not likely or lightly to be passed over by such admirers of talent as the B. P. O. E.

Matinee tickets for Saturday afternoon are now on sale. The seats are reserved as on any other occasion, and those who come first to the box-office will get the best. Prices 25 and 50 cents.

Following were the nominees who will also be the delegates: James A. Low, George Nawaakoa and L. L. McCandless.

SEVENTH OF FIFTH.

The advertised "hot time" did not materialize in the Seventh Precinct. Birbe was conspicuous by his absence and the meeting passed off quietly. H. C. Vida was chairman and the regular ticket placed in nomination is as follows: H. C. Vida, Mealoa, William Henry, I. Sherwood, D. Kaahumanu and H. Huka. Individual nominations were made as follows: Charles H. Clark, J. Kaaka, Eli Crawford, K. R. G. Wallace, T. McCants Stewart, Geo. Barker, I. Cockett, J. Fern and E. C. Winston. Resolutions of condolence regarding the death of the late W. H. Coney were introduced by Stewart and adopted. Also a resolution commending the Governor for calling an extra session.

NINTH OF FIFTH.

The meeting of the Ninth Precinct, Fifth District, was held in the Hoffmann yard, Wylie street, with a good attendance of voters. A. W. Neely presided. Resolutions of regret and condolence were passed on the death of S. K. Kane, the first president of the precinct organization.

Ten nominees for convention delegates were chosen, five to be elected on Saturday. The nominees are: Geo. S. Harris, J. E. Shaw, F. P. T. Waterhouse, L. T. Ka-ne, J. S. Kalakela, H. Meek, Chas. Kaanoli, Wm. Lucas, A. F. Judd, S. L. Kekumano.

J. D. Avery presented a transfer from his previous district, the Fifth and 8th Precinct, and joined the Ninth Precinct, Fifth District. He presented the following resolution:

Whereas, The Governor of the Territory, Honorable George R. Carter, has called the Legislature together in special session for the consideration of financial measures, and

Whereas, said Legislature may, under the law, consider other matters; Resolved by the Ninth Precinct Republican Club of the Fifth Election District, being the "business men's precinct," of said district, that the action of the Governor is hereby heartily and unequivocally endorsed as proper and in line with long American precedent.

Resolved further, that it is the sense of this Republican Club that the people demand a speedy and business-like session and the consideration of no measures not of a financial nature, except the appointment of a Commission by authority of the Legislature to prepare for presentation to the next regular session of the Legislature a bill creating counties in this Territory outside of the Island of Oahu and the erection of Honolulu and the rest of Oahu into a government by itself to be styled the City and County of Honolulu, with appropriate powers.

Resolved, that the president and secretary of this club shall certify to a copy of these resolutions and send one copy to the Governor and one to each of the houses of the Legislature.

Objection was made to the adoption of the resolution on the ground that it was against the idea of Governor Carter in calling the legislature together, and it was voted down, only one vote being cast in favor of it.

TENTH OF FIFTH.

Suspension of rules to destroy the secrecy of the ballot was a trick adopted by a faction at the meeting of the Republicans of the tenth precinct of the Fifth District, according to the story given to the Advertiser by B. H. Kelekolio of the ticket thus sought to be injured. About 150 were present at the meeting in Vineyard street camp, Wm. Mahuka presiding and Willie Crawford acting as secretary. The precinct is entitled to two delegates and four candidates were nominated, viz: Wm. Isaac and Abraham D. Bolster, S. N. Maloi and B. H. Kelekolio, these teams as here conjoined being opposing tickets.

Isaac, as Kelekolio relates, moved to suspend Rule 7 providing for uniform ballots of white paper and dragooned a large gang of road laborers into carrying the motion, as also its correlative for which it paved the way. This was that the two first names as above should be placed on white ballots and the two last on yellow ballots.

Kelekolio anticipates nothing but that if the yellow ballots predominate in the box when opened for the count, Isaac will take advantage of the illegality of his own scheme by claiming that only the white ballots are legal.
